
State of Iowa

Opportunities as a Resident Treatment Worker or Youth Service Worker

An Equal Employment Opportunity and Affirmative Action Employer

The Department of Human Services employs Resident Treatment Workers and Youth Service Workers at institutions located throughout the state.

Resident Treatment Workers perform para-professional nursing and therapeutic work in the care of residents at state institutions for the elderly, mentally retarded, or mentally ill.

Youth Service Workers provide oversight, direction, and guidance to residents of a state training school or juvenile home.

Annual Salary : \$24,044.80

As an employee of state government, you will have a wide range of benefits available to you. Benefits include:

Health Insurance	Workers' Compensation
Dental Insurance	Deferred Compensation
Life Insurance	Paid Sick Leave
Disability Insurance	Paid Vacation
Retirement Plans	Paid Holidays
	Flexible Spending Account

Application Procedures

The job classes of Resident Treatment Workers and Youth Service Worker are open to application on a continual basis.

To obtain an application, write or call the Iowa Department of Personnel. Applications may also be obtained from any Workforce Development Center offices located throughout the State, any state agency, or by downloading from our website at www.state.ia.us/idop

Completed applications must be returned to the Department of Personnel by the closing date listed on the Job Vacancy Announcement.

To apply for additional job classes when a vacancy is announced, you may fill out an "Add a Job Class" form found on our website and click on submit, or call the Iowa Department of Personnel at (515) 281-3087.
